FORWARD

It is with high esteem that the 1971-72 Tiger Staff presents this years annual to each of you. Realizing that we have fallen short of our many duties and that we have omitted some of our professional touches, we are indeed hoping that you will forgive the shortcomings and at the same appreciate and enjoy what we as a working staff has compiled as your greatest "Souls in Action," for 1971-72.

It is my sincere hope that this edition of the 1972 Tiger in future years will recapture some of the hearts and minds of those who lived and experienced the many walks of life at Savannah State College, during the moments, hours, days, months, and weeks of the year 1971-72. I wish to express my sincere gratitude to the staff and members whose time and dedication was so earnestly given in order to approach deadlines.

In conclusion, I leave these words; "There may be gold and' multitude of pearls, but the hands of labour, I think, are the most precious pearls." Years from now, turn to these pages and you may be able to recapture the happenings of 1971-72, "Souls In Action".

Yours in Brotherhood
Curtbert Burton, Coordinator

DOUBLE 19-

SSC has gained much from the forty-six years of service given by Brother George Henry Brooks.

He has given much of his life and energy to furthering the philosophy to which the college is dedicated—improving our democratic society through serving the needs of man. Thus it is through the vein of such a man that the life blood of the college flows and contribute toward its growth and success.

Therefore we humbly and gratefully dedicate the 1972 edition of the Tiger to Mr. George Henry Brooks, who has been employed at State for 46 years. Mr. Brooks, we salute you with honor.

-72 DEDICATION

In the many years of continuous progress, there have been many individuals who have strived to make Savannah State College a more homelike and efficient place to attend college; but none have been more dedicated than Mr. Homer Lewis.

Brother Lewis has been employed at Savannah State for 30 years, and is considered one of the most reliable men on the Plant Operations Staff. It is with deep pride that the 1972 Tiger Staff make this double dedication in behalf of Mr. Homer Lewis.

CO-ED WEEK-1972

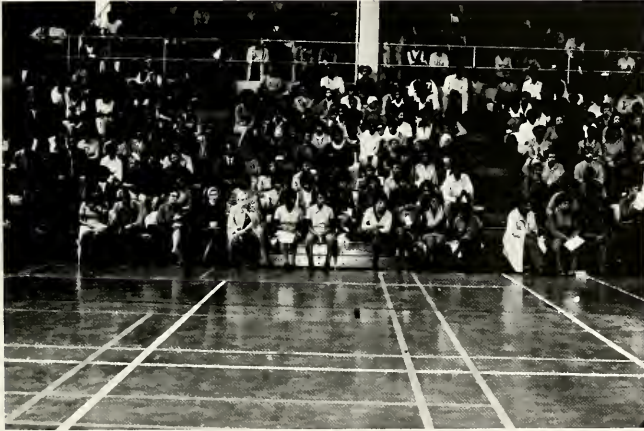

A TRIBUTE TO THE BLACK MOSES OF PEACE

"Dr. Martin Luther King Day" was highly honored by the students, faculty, and visitors, large attendance in the Memorium of a "Great Black Leader."

A TRIBUTE TO DR. MARTIN LUTHER KING JR.

Who was this man
that led the way?
And let all of glory shine
for a brighter coming day.
Who was this man that said
"Let Freedom Ring"
There's no doubt in my answer,
He's Dr. Martin Luther King!

Yes, it was he who carried
all of the heaviest loads,
To put all of his people on that up going road
For he wanted his people to live as they should
To join hands with all men in Brotherhood.

But now let's venture back into time
and into the olden days.
When our forefathers and mothers
all worked as slaves.
You see, "Work" was the only thing
that our forefathers knew
They had to work until they died
for they'd never get through.

For when you would have finished
with plowing Jacob's field.
There was more cotton to be picked
and more corn to be yielded.
"Just work all day" was what your master said

and if you did not work,
You'd be filled with lead.

Yes, that's how things were in the
in the olden days,
But from yesterday until today
We've come a very long way.
We've come a long way black people
Yet we have so far to go.
Since now we must destroy the signs of "Old of
Jim Crow"

Well God got fed up with the white man's rules
so he sent for Martin Luther
and he gave him a tool.
This tool was called love,
and God knew that one day
It would carry Martin's people
A very long way!

Martin knew that he had
several foes and enemies
But this did not stop him from going
to Memphis, Tennessee.
When on the hotel balcony
Martin stood with pride,
And a few seconds later
Fatal shots were fired!

The bullets were lodged
deep within his head,
And everyone knew that he'd soon be dead. . .
The people then cried, "Lord why, oh why?"
"Lord why did you let,
our dear Martin die?"

And God said, "I've been thinking,
about his troubles and woe
And I've decided not to send him
away anymore.
For I figured he was tired
and that he needed a rest"
We cannot question God,
because he knew that was best.

Well to this little story
there's more to be added on
But time does not allow me to elaborate
on the many fine qualities of this man!
A man of DIGNITY, MORALITY just fighting
and striving
no matter what was the case.
BLACK Brothers and Sisters,
I don't think that Martin Luther
Can ever be REPLACED!!!!

SAVANNAH, GEORGIA 31404

OFFICE OF
THE PRESIDENT

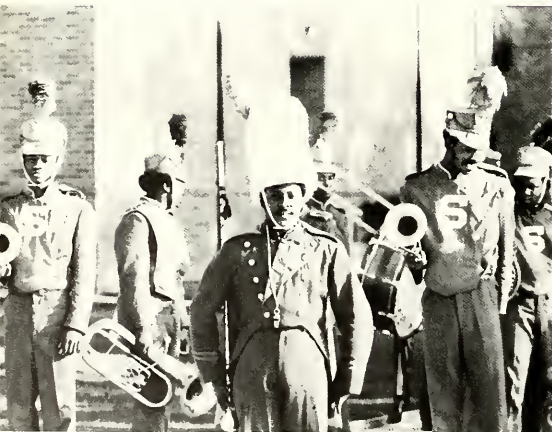

The Savannah State College Family and Friends
Savannah State College
Savannah, Georgia 31404

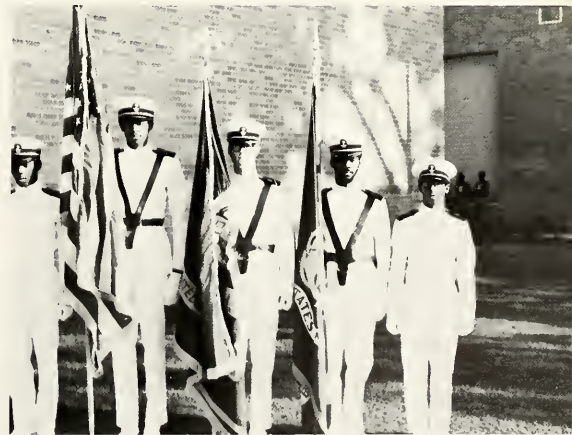

The 1972 issue of the TIGER is the finest that we have produced so far. It is indicative of the kind of students we have enrolled at Savannah State College. We take great pride and delight in saluting them for a job well done.

The 1971-72 academic year has been one of greatness for us. We had Miss Lena Horne as a guest of the College in August, 1971, Julian Bond and John Lewis in February, 1972, and Congresswoman Shirley Chisholm in March, 1972. Each of these great Black leaders gave our students, faculty, and administration new inspiration and dedication. We saw the establishment of a student loan fund from which students could borrow without the usual "red tape" accompanying loans. We saw the seniors participating in interview sessions and in sessions designed to help raise scores on national examinations. We saw a "togetherness" which we believe will signal a new era in the history of our College.

We offer sincere and myriad congratulations to the wonderful class of 1972. We pray that God will continue to watch over them. We ask continued cooperation from those who will remain. To the staff of the TIGER, and particularly Editor Janice E. Bryant, we offer our deep gratitude for all of the hours of labor used in delivering to us the finest TIGER to show up yet at Savannah State College.

AL FRAZIER—Athletic Director

Al Frazier has now completed his Twenty Fourth Year of affiliation with Savannah State College. When he started out SSC had only four sports to contend with now they have six.

Frazier attended A.E. Beach High School where he played halfback and quarterback. He also attended Tuskegee Institute where he played halfback. He was an All-American in College and also was recipient of the Most Valuable Player in a Chicago Classic game against Wilberforce College.

He has also served as Baseball Coach for three years at SSC and was also Assistant Football Coach for a number of years. He took over as Athletic Director in the early sixties and once had to double as Athletic Director and Basketball Coach. He coached basketball before Leo Richardson came to SSC.

JOHN H. MYLES
Head Football Coach

John H. Myles came to Savannah State when it was admitted into the Southern Intercollegiate Athletic Conference. Myles took the place of Leo Richardson so that more time could be devoted to one sport by one head coach.

He played his collegiate ball at Savannah State College where he was winner and was named to the Chicago Defender Small College Team. In playing army ball, he was offered pro contracts by two professional teams.

Coach Myles is an alumnus of the college, having graduated with the B.S. Degree with a major in math and a minor in biology. He holds the M.A. Degree from New York University in Physical Education and Health Education and a Sixth Year Certificate from New York University in Physical Education.

He has coached in the college ranks for four years. A coach who believes in fair play but also likes to win, Coach Myles with his football know-how will surely lead Savannah State's Fighting Tigers back on the winning side.

As the Season closed the Tigers of Savannah State College, fell by the wayside, but a fight was well worth the season that the Tigers had.

We, the members of the 1971-72 Tiger, salute Coach Michael Backus and his mighty Tigers for a job well done this season, and wish them the best of luck in the near future of the HARDWOOD season.

Savannah State College Golf Team now in its second season, has done quite well both at home and on the road. Under the great coaching of Mr. John H. Merritt, the Tigers have been successful in making one of its past members a well known golfer throughout the state of Georgia, Florida, and South Carolina, who is none other than Mr. Jimmy Wesley. The Tigers had a great season this year and hope to be better. The 1972 Tiger Staff congratulates the Golf team for a well done season.

CROSS

Bobby Scott and Teddy Smith.

COUNTRY

As Cross Country and Track season began, Savannah State College Tigers saw much improvement over previous years.

Bobby Scott and Teddy Smith, along with other members of the Track and Cross Country Teams were known well throughout the SIAC. Scott and Smith coming in First place in at least most of the meets did a good job.

According to Coach Richard Washington, Bobby Scott is considered one of the conference, and who he believes will make a great pro track star, as well as Smith.

To both Bobby Scott and Teddy Smith, the 1972 Tiger Staff wish to express sincere gratitude to you and the Tigers of the Track Field.

Mr. Theodore A. Wright, Sr. honored as the greatest Coach in the history of Savannah State College, and is presented a plaque of appreciation by the Student Government Association President, Mr. Roy A. Jackson at the Savannah Civic Center.

David Foye, Vice-President of the Student Government Association makes a presentation to Coach Theodore Wright at the Savannah Civic Center as, President Prince Jackson, Jr. Roy Jackson, and Miss Savannah State College, Miss Sharon Lewis looks on.

NEW BUILDINGS

STUDENT UNION BUILDING

NEW GIRLS DORMITORY

Why on earth would they use paper to help launch a moon shot?

The paper is used in this 327-foot Apollo service tower. As honeycomb panel cores. Laminated to aluminum "skins".

The panels form the enclosing wall of the 120-foot-wide tower base. And the huge hinged gates which open and envelop the rocket during servicing.

Why paper honeycomb? Because it's incredibly strong. And incredibly light. The giant gates swing easy. And precious pounds are saved in the 32-story structure whose weight

can flatten the railroad wheels below when they are not in motion.

Union Camp honeycomb has hundreds of other uses—in both commercial and residential construction. Everything from floors to walls and to roofs. Even the sky isn't the limit.

The paper for Union Camp's Honeycomb is manufactured at the huge Savannah Complex, the world's largest pulp-to-container plant.

And so ends another year at Savannah State College, the College by the Sea, our Alma Mater. We of the 1972 TIGER staff hope that our work will have accomplished some ends toward presenting you with the memories that went along with the past school year.

My thanks goes to the people who stuck by and saw this book out to the end. However, this staff, along with other student publications and student organizations still needs the support that only the family of SSC can give.

We hope that you have enjoyed glancing through the pages of this book and will continue to reflect and enjoy this publication for years to come. Right on, "Souls in Action."
